

SHE DESPAIRED OF GETTING WELL

Was Almost a Nervous and Physical Wreck—Gains 10 Pounds
Feels Fine, Now

"I am just so happy over what Tanlac has done for me that I want to tell everybody I meet about it," was the enthusiastic statement made recently by Mrs. S. T. Diggs, of 810 North Twenty-second Street, Richmond, Va.

"I had suffered for six years before I began taking Tanlac," continued Mrs. Diggs, "and was almost a complete nervous and physical wreck. I had headaches constantly and I was so nervous that the noise of the street car would nearly run me distracted. I had little appetite and my digestion was so bad that what I ate nauseated me. My tongue was coated and I had a bad taste in my mouth. I had awful smothering spells and would get so dizzy I would almost fall. I had rheumatism so bad in my left shoulder that I could not raise my arm and I could get but little rest at night. Many a time when morning came I felt completely worn out. I was operated on, but when I came home I was as bad off as ever and grew worse and worse till I gave up in despair.

"One day my husband brought me a bottle of Tanlac and I was astonished when I began to feel better after the first dose. I continued to take it without missing a dose. Today I am on my fourth bottle and all my troubles have been completely overcome and I never have an ache or pain of any kind. I am in the very best of health, have gained ten pounds and am feeling better and stronger than I have in years. I eat everything I want, sleep fine at night and am doing all my housework. The headaches and dizzy spells are gone and all traces of rheumatism have left me. My nerves are so steady I can stand any kind of noise. Tanlac is rightly called the 'Master Medicine' for it has mastered all my troubles and I consider it worth its weight in gold!" Tanlac is sold in Paris at Peoples Pharmacy. (adv)

ANOTHER FRAUD EXPOSED.

At the so-called Bluegrass Fair, at Lexington, last summer, one of the attractions was an old mountaineer named John Shell, who was advertised as being 131 years old. He was handed around as one of the wonders of the age, and got more free advertising than any freak in the bunch. Now comes one, Dr. I. L. Nascher, of New York, who went to the mountain home of Shell, on Greasy Creek, and after hunting up the census reports since 1840, the Doctor is convinced that John Shell was born in Knox county, Tennessee, and that he is now 98 years of age. Those Lexington fakirs got hold of him and made him believe that he was the oldest man in the world and coined money from the credulous public on the strength of it. Truly Barnum was right when he said the American people liked to be humbugged.

IS THIS YOUR EXPERIENCE?

Many Paris People Are Afflicted
With Annoying Kidney Ills.

Are you bothered with too frequent action of the kidneys? Are the secretions highly colored—do they contain sediment—burn and scald in voiding? These are all signs of kidney sickness and should not be neglected. Paris people recommend Doan's Kidney Pills. If your back aches and your kidneys are weak you will find no better recommended remedy.

Chas. Stewart, tinsmith, Lilleston avenue, Paris, says: "I have had three or four attacks of lumbago in the past few years, the first being the worst. There was a constant, dull ache in my back all the time and often sharp, cutting pains darted through it. It sometimes seemed as though I could hardly endure the misery. I tried different remedies with no good results. I heard of Doan's Kidney Pills and procured them from the Ardery Drug Co. The first box helped me and I continued taking them until cured. Attacks since then have always been slight. Doan's Kidney Pills have never failed to relieve me."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Stewart had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (adv)

Alligators and Crocodiles.

Four—n feet is about the limit of length for an alligator, but the crocodile is a much larger animal when full grown, specimens 30 feet long being not uncommon. Crocodile eggs, which have hard shells and look like goose eggs, are considered good to eat in the tropics.

HOW IS YOUR COMPLEXION?

A woman should grow more beautiful as she grows older and she will with due regard to baths, diet and exercise, and by keeping her liver and bowels in good working order. If you are haggard and yellow, your eyes losing their lustre and whites becoming yellowish, your flesh flabby, it may be due to indigestion or to a sluggish liver. Chamberlain's Tablets correct these disorders. (adv)

THIS LOOKS LIKE HOGGING THE COIN.

A thoroughbred Poland China hog, which Williams Brothers, Vilisca, Iowa, breeders, bought fifteen months ago for \$265, was sold Thursday to W. H. Ellsworth, of Goldfield, Iowa, for \$40,000, declared to be the highest price ever paid for a hog.

Many a man's point of view needs sharpening.

**What causes
Indigestion**

An excess of acid in the stomach sours the food and starts fermentation. Distressing gases form. Meals don't digest but lay like lumps of lead. Then you have heartburn, flatulence, fullness, belching, headache and real misery in the stomach and intestines.

A few tablets of "Pape's Diapensin" bring relief almost as soon as they reach the stomach. "Pape's Diapensin" costs little at drug stores. (adv)
